## 22-DAY BIBLE READING CHALLENGE

The longest of the Psalms, Psalm 119 is an acrostic poem built on the 22 letters of the Hebrew alphabet. While not evident in English, each of the eight lines in the 22 stanzas begins with the same letter of the alphabet. Psalm 119 is a masterpiece extolling the word of God and describing its tremendous benefits. May we too come to love the word of God with the same affection as the Psalmist!
